

GETTING STARTED

1. Determine Delivery Method

Every international partner requires a different delivery method based on the needs of their students:

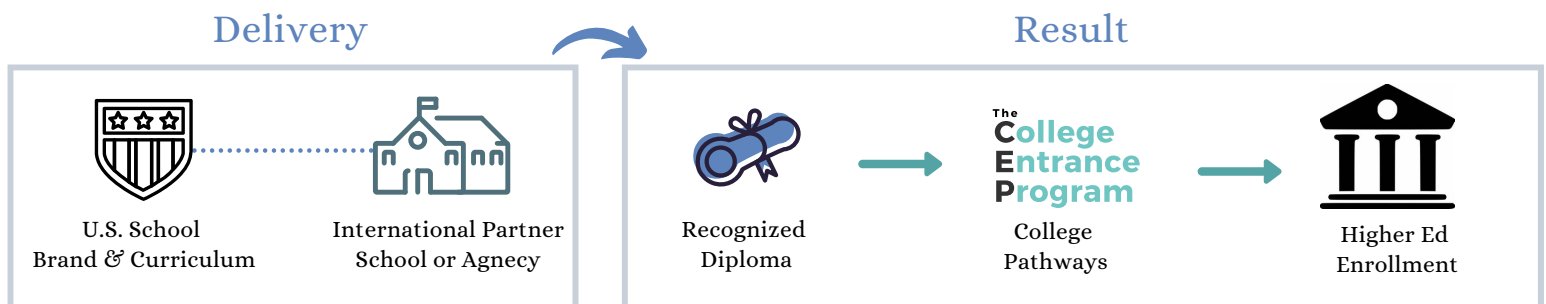

2. Choose U.S. Partner School(s)

ACP's network of U.S. Boarding and Day Schools offers access to both enrollment pathways and partnership opportunities:

3. Implement

CURRICULUM MANAGEMENT

The following is a list of services typically provided by the US School in a partnership program:

Recognized Diplomas

US School Partner will maintain accreditation and compliance with its regional accreditor. Diplomas achieved on the partnership school campus will be issued by the US campus.

Staffing

US School Partner can provide trained and qualified staff to serve as teacher(s) and/or administrator(s) on-campus abroad. US School also typically designates a staff member on their US-based campus to the program operations

Branding

Full usage of the name, brand, and logo of US School partner for usage at all locations abroad.

Curriculum

A seamless and inclusive integration process that brings together both schools' curriculum and graduation requirements. This approach aims to elevate, not disrupt, the international school's current offerings.

Faculty Training

- Visits by key faculty and staff to ensure a high level of training, implementation, and general oversight.
- Training opportunities on-campus abroad or in the United States.
